Thanks to your support!

Dear Friends & Supporters of Nativity,

It is our great pleasure to send you this Easter Newsletter which includes our Annual Report for the fiscal year ending June 30, 2018. Working together to offer our students the best possible experience during their 12-year journey with us has not only been rewarding, but also a lot of fun! We continue to offer a transformative Jesuit education to first-generation low-income students so they can break the cycle of poverty through education. Fr. Mateo Sheedy's dream lives on, Fr. Peter Pabst's legacy continues, and we honor Sonya Arriola's love and commitment to our mission every day.

We think you will agree when you read through these pages, that our students are thriving. Over the past year, Nativity has continued to grow and become an even stronger school. Our academic and co-curricular programs are always evolving as we strive to increase the success of our students in all aspects of their lives. Our students flourish in their academic and leadership experiences here, which translates to great success in college preparatory high schools like Bellarmine, Cristo Rey, Mitty, Notre Dame, Presentation and Saint Francis.

We look back on our first year together at Nativity with much joy, for it has been a life-giving ministry for all of us. Serving this dedicated community of students, parents, alumni, faculty/staff, volunteers, donors, and partners has been enormously rewarding. We are grateful to have been given the opportunity to continue shaping the direction of this school to ensure that future generations of low-income students who have a dream and a spark will have a home here.

Inside this report, you will see the Nativity community of benefactors who stand with us to achieve our mission of transforming the lives of first-generation low-income students. We ask you to share the Nativity story with others in order to help us find additional donors who are willing to provide scholarships for our amazing students. We still have over 20 current students to sponsor before the end of this school year, so please consider making a gift today.

We are eternally grateful for your support as we continue to break the cycle of poverty through education for the greater glory of God.

With profound gratitude and appreciation,

Deacon Rubén Solorio

THE NEXT GENERATION

ACADEMIC ACHIEVEMENTS

The school is aligned in the mission of **educating students for future success**, and the cultural climate is one of **growth and possibilities**. Meeting students where they are is the starting goal upon admission, and continues throughout their academic journey. Technology is used in the classroom to enhance learning in all subject areas.

Student achievement is measured frequently through various modes of assessment including standardized testing. Many students enter the school testing below grade level in Language Arts and Math, but after three years of Nativity instruction, the average 8th grader scores at an 8.1 grade level in Language Arts and a 10.2 grade level in Math.

Faculty are trained to focus on differentiated instruction in support of English Language Learners. This includes technology integration and a range of teaching methods so that all students within a classroom can learn effectively, regardless of differences in ability.

ENRICHMENT ACTIVITIES

At Nativity, we care for the **“whole person”** and offer numerous co-curricular clubs and activities to enrich learning outside the classroom. High school volunteers from Bellarmine, Notre Dame, Mitty, Saint Francis and Presentation tutor our students and run clubs such as Robotics, Coding, and Chess.

Opportunities to move and increase students' physical activity are provided in many ways including Folklorico dance, yoga, volleyball, basketball, and Physical Education classes. Public speaking and debate skills are developed through our speech and debate club. Students also participate in SPEAK (Student Pursuit of Equality, Advocacy, and Kinship) to increase their awareness of social justice issues as well as to promote self-care. All of these opportunities provide a window of exposure for our students as they prepare for their next journey to high school!

FAITH IN ACTION & CAMPUS MINISTRY

Giving back to our community is paramount to the Nativity service program. Students live their faith daily by becoming young men and women for and with others through service opportunities offered throughout the year. Students deliver blessing bags (toiletries/prayer card) to clients served by Martha's Kitchen and Dignity on Wheels, work with students from the Morgan Autism Center, read with seniors at the Willow Glen Senior Center, and participate in neighborhood and school beautification projects.

The Campus Ministry program is led by our resident Jesuit and Jesuit Volunteer and provides **inclusive opportunities** for our students, faculty, and staff to nurture their faith and strengthen the sense of community at our school.

GRADUATE SUPPORT— THE 12-YEAR JOURNEY

Nativity becomes a “home away from home” for our students. The 12-year journey starts in 5th grade and continues through college. The Graduate Support Program embraces both students and parents by addressing the barriers that prevent low-income, first-generation college-bound students from attaining success. Program highlights include:

- Comprehensive high school placement planning with all 8th graders and their families
- Programming and curriculum are designed to prepare students for the transition to high school
- Summer meetings are held with students and families to ensure each student is prepared for orientation, registration, and classes
- Connections are made with 9th graders and families in the first weeks and months of school to ensure successful transitions

“I just want to say THANK YOU. I really appreciate the donors for giving me this opportunity to have a better future and a stronger Catholic school education. I promise I will try hard in school. I just want to say, “God Bless You.” You have a big heart for doing this and... I REALLY appreciate this gift you have given to me.”
BETSY, 7TH GRADER

This year, we have **the privilege of impacting the lives 98 middle school boys and girls** by providing them educational opportunities that are not available in their neighborhood schools. Their school day is longer than most, they attend monthly Saturday enrichment programs, and they only get one month off for a summer break. But, at the end of their three years, they are able to test at or above grade level, and most are accepted into private college preparatory high schools.

And through all the hard work and long hours, the students have grateful hearts, and truly appreciate the opportunities that Sacred Heart Nativity Schools afford them.

The average annual household income of our families is \$29,000, so they can only afford to pay 2% of the cost to educate their students. Therefore, we must raise \$20,000 per student to cover costs. Please consider making a gift or pledge today — any amount is appreciated and truly makes a difference in the lives of our students.

Some suggested gift amounts:

- Full tuition for one student **\$20,000**
- Summer school transportation **\$10,000**
- Yosemite Trip for 8th graders **\$7,500**
- Graduate Support for ten 9th graders **\$5,000**
- School Uniform Subsidy **\$1,500**
- Summer School Program for one student **\$700**

A YEAR OF SPECIAL EVENTS

JANUARY

Start the year out with casual, but riotous fun by competing in the annual **Trivia + Karaoke Event**. Teams from two to ten people in size compete for the title of Triviaoke Champion while enjoying karaoke, good food and local brews.

OCTOBER

Community members gather for a luncheon in honor of Fr. Mateo Sheedy whose dream it was to open Nativity. His memory and legacy is celebrated every year at this special Founder's Day Event.

SEPTEMBER

In honor of Nativity's founder and first president, Fr. Peter Pabst, S.J., the **Annual Golf Tournament** combines fun with philanthropy. Golfers compete for longest drive and closest to the pin, and enjoy both a catered lunch and dinner at the San Jose Country Club. **Registration opens on July 1.**

SPRING

Spring is the season for the biggest and most important Nativity fundraiser of the year—**The Fiesta Dinner and Auction Event**. The night begins with a beautiful community Mass, and then hundreds of Nativity supporters and friends unite to raise funds to support the mission to break the cycle of poverty through education.

Fiesta like there's no mañana!
