**Our Lady of Grace Nativity School for Girls and Sacred Heart Nativity School for Boys**  
Where Scholars are Formed in Faith that Lives Justice

# INTRODUCTION (ABOUT US)

WELCOME

## PHILOSOPHY

**We are a Jesuit, faith-based Nativity middle school.** Located in the Washington Gardner neighborhood of San Jose, we support an underserved, urban community within the Sacred Heart Parish.

**We believe that everyone is created in the image of God.** To that end, we provide a holistic education that supports the growth and development of a child intellectually, spiritually, physically, and emotionally. Our Ignatian tradition nurtures each student to grow within our Catholic faith, to act according to our faith, and to develop a lifelong relationship with God.

Our educational program seeks to create youth who are architects of their own lives and contributing members of their communities. **We believe that the NativityMiguel school structure is the most effective model in educating, building healthy self-esteem, and empowering our students.** This includes an extended school day and year, ongoing assessment and inquiry, strong partnerships with our families, and support beyond eighth-grade graduation.

**We seek partnerships with our families and parish,** to build a community that supports our students, preparing them to be forces of courage, compassion, understanding, insight, and moral fortitude in the world.

**We instill in our students the Jesuit, faith-based commitments beyond oneself,** to become people of competence, conscience, and compassion.

## MISSION STATEMENT

The Sacred Heart Nativity Schools transform lives through education by laying the foundation for young students to succeed in college prep high school programs, post-secondary education (college, trade/tech/vocational, military service), and beyond. The Schools provide a Catholic education for students of low-income families with priority given to those of the Sacred Heart of Jesus Parish community. In the Jesuit tradition, Nativity scholars are guided and accompanied as they deepen their relationship with God to become people for others.

# IN CONVERSATION

**Andrea and Joe Thomas** have been part of the Sacred Heart Nativity community since the early 2000's. Originally from Chicago, Andrea and Joe moved to San Jose in 1969 and have seen many of the changes and challenges that have faced our community. They have been leaders in their community supporting those less fortunate than themselves through educational causes and the Catholic Church. They are drawn to Nativity in their strong belief that education is a great equalizer in our world. Nativity is so honored to have their continued generous support. We recently asked them why they support Sacred Heart Nativity Schools and how they plan to be a part of Nativity's future.

## **What draws you to Nativity?**

The Nativity students themselves and their positive attitude that they demonstrate and their determination overcome so many challenges that could be difficult to overcome regardless of circumstances. Our Nativity students are given a chance, the opportunity to see that the world can offer them and it is through an education that they are able to go further achieving dreams that could be theirs.

## **What inspires you about our Nativity students and their families?**

The Nativity students and their families have a strong work ethic and determination for a better life for themselves. I have had the chance to meet current students and alumni and see how hard working our Nativity families are to give their children a better chance in life. Moms and Dads who want a better life for their kids are not unlike my grandparents who came from Italy over 100 years ago with the same dreams and hopes.

## **What is your favorite thing about the Nativity community?**

The supportive faculty and staff. Their spirit and the strong bonds with Nativity students continue on with them through high school and college. Nativity alumni know that they can come back anytime if they need advice, help or

give back to the students that are currently enrolled. It is so wonderful to have Nativity alumni on our board and in the classroom teaching.

## **What is one thing Nativity has impacted on your life?**

The experiences of the Nativity students and families have made me appreciate and be grateful for what my parents and grandparents did to provide us with an education. It has inspired us to do the same for these students. Truly life changing.

## **What is one thing you hope a new donor would know about Nativity?**

Supporting Nativity through donations and scholarships is a great return on an investment! Our Nativity students are making measurable results academically and are able to go on to college preparatory high schools as well colleges and universities. Also they are growing spiritually in their own faith and have such wonderful confidence in all that they can achieve. One of the best investments we have ever made for our community.

# FUN(D)-RAISING!

On May 6, 2023 we celebrated our annual fiesta at presentation high school. Over 275 guests enjoyed an evening of tequila tasting hosted by Jennifer and Michael VanEvery, Latin Jazz live music and wonderful food cooked by one of our Nativity parents along with bidding on wonderful packages and items such as tickets to Taylor swift and stays in Hawaii and Lake Tahoe. Thank you for helping us raise over \$470,000. We look forward to another wonderful Fiesta on May 4, 2024 at Presentation High School!

What a beautiful day on the greens for everyone! This September 25, 2023 our golfers had a lovely afternoon at San Jose Country Club golfing to benefit Sacred Heart Nativity schools. At our reception this year we honored Jim and Marlene D'Amico with the Ignation Companion award for the many ways in which they have supported Nativity with true companionship since our schools beginning. We are so appreciative of their leadership in growing Nativity for many future students and the impactful change for our families and community. We look forward to another great day of golf in September 2024!

## Thank you for your support!
